

MICHAEL IS ALONE IN HIS DORM ROOM. IT IS SATURDAY NIGHT AND HE JUST GOT HOME FROM HIS JOB AT ZAXBY'S. HE FEELS ALONE AND HOPELESS.

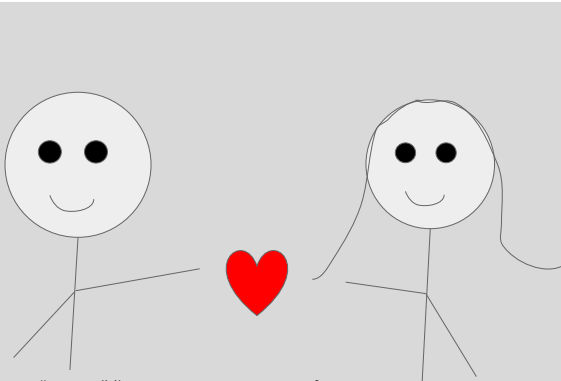

WITH THE WORLD OF SOCIAL MEDIA, IT FEELS AS IF EVERYONE AROUND HIM HAS A SPECIAL SOMEONE. ALL THESE APPS WITH EMPTY NOTIFICATIONS ...

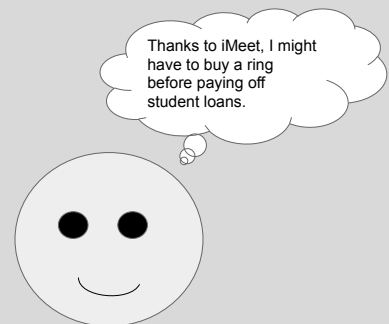

RANDOMLY SCROLLING THROUGH THIS PHONE WITH TIRED EYES, A NEW APP IS SUGGESTED FOR HIM - iMEET? HE STARTS TO INVESTIGATE AND DOWNLOADS THE APP.

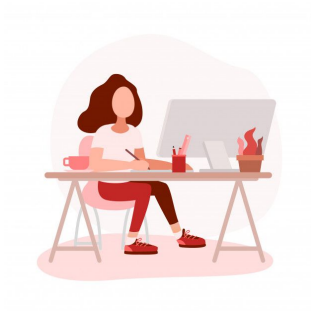

MICHAEL FINDS SOMEONE WITH SIMILAR LIFE INTERESTS AND THEY HAPPEN TO BE IN HIS CLASS! AFTER A GOOD TEXT CONVERSATION, THEY DECIDE TO MEET TO STUDY FOR AN UPCOMING EXAM.

MICHAEL AND HIS NEW "FRIEND" HELENA, BOTH ACE THE TEST. BUT MORE IMPORTANTLY, THEY WERE ALSO A 100% MATCH ON iMEET.

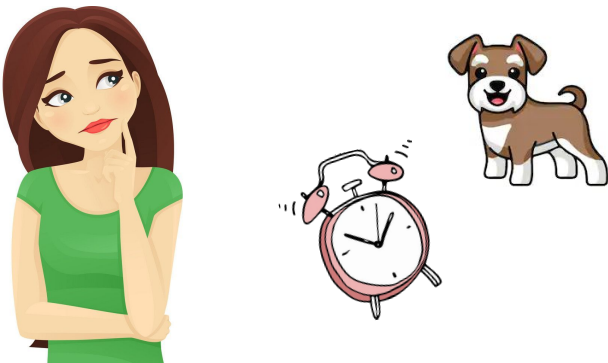

MICHAEL WENT FROM A LONELY STUDENT TO A HAPPIER, SMILING YOUNG. THE FUTURE IS UNCERTAIN WITH HELEN, BUT HE THINKS SHE IS THE ONE ... ALL THANKS TO iMEET!

Michelle is single and does not have any kids. Her career as a software developer keeps her at the office most days and it has begun to take a toll on her social life. She feels like she needs someone new in her life.

She's looking for her perfect man, but can't seem to stumble across him.

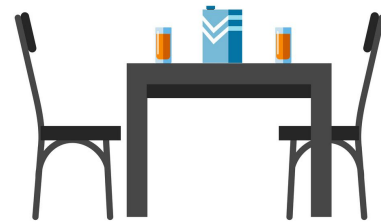

He'd love dogs and have a passion for travel. And above all would be able to understand her busy schedule.

So, she did what any software developer would do. She turned to technology, finding an interesting new app called iMeet.

The app's sorting mechanics worked like a charm, she had a date set up with a seemingly perfect guy in the next available spot in her schedule.

The next thing she knew she was on a date with a guy perfect for her. She'd found herself a partner with similar interest that was willing to work around her schedule, all thanks to iMeet.

Landry works as a therapist for married couples. He counsels others to help them work through their problems. But Landry can't find someone who can connect with himself.

Landry goes home alone, and dreams of finding the one for him. Everyone he meets has different interests, or is at a different stage in life.

Landry's friend recommends that he try out a new app called iMeet, which will connect him to others based on his interests.

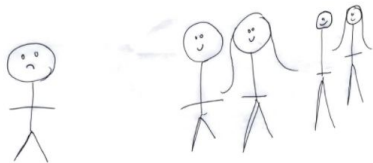

Landry meets another user who has similar interests. They agree to meet up and chat.

Landry and Sheila end up having a lot in common. They bond over their need for love and love of boats.

Success! Landry and Sheila hit it off! Landry found someone who shared his love of boats. They even got married. Afterwards, they pooled their meagre savings together and purchased a yacht.

Jake finds it difficult to interact and establish connections so he can pursue a relationship. This makes him feel frustrated, sad, and upset.

1

DOWNLOAD iMeet on the Appstore!
Never worry about being lonely again! Find the right one for you!

While Jake was walking home from a party, he came across an ad on a poster outside. The poster promotes a new app, iMeet! This app allows you to connect and establish relationships with others

2

Jake heads home and downloads iMeet. He sets up his profile and sees in the bottom right corner of his phone that 100 people are already messaging him, wanting to establish a relationship!

3

Jake uses the app he just downloaded and sets up a date with a female named Carly!

4

Jake and Carly go on the date that they set up via iMeet. They learn that they are interested in each other and decided to pursue a relationship! The date was a HUGE success!

5

Thanks to iMeet, Jake found a significant other! Jake and Carly now have a family and a house! They couldn't be happier!
